

The Catholic community of Western Australia welcomes The Year of Great Jubilee and the 2000th Anniversary of Christian culture and invites your participation in our celebrations throughout the coming year.

The Year 2000 is celebrated by the Catholic Church as a Holy Year. A Holy Year occurs every 50 years and is a time of special blessing. It is a time of rest, reflection, reconciliation, pilgrimage, celebration and joy. For further information about the Holy Year contact your local Catholic community (see listings under "Catholic" in the White Pages), the Archbishop's Committee for the Great Jubilee on 9325 5794 or visit our website: http://www.perth.catholic.org.au/jubilee_2000/jubilee_2000.html
